

## Professor Slithers Show

Date: Sunday, December 5  
Where: Cultural Arts Center  
721 Cranbury Road  
Time: 10:00am-11:00am

**Professor Slithers Show** – Join Professor Slithers as he attempts to conjure up scary animals to scare the children in a very entertaining and interactive show. His plans get foiled when the students help him learn that instead of being frightened by these amazing creatures, they all have an important place in the ecosystem of the world.

This presentation is free and open to the public.

Collect change for the National Audubon Society.

You will be given community service hours for the money you raised.

\$ 5.00-\$10.99 you will earn *2 hours*

\$11.00-\$19.99 you will earn *3 hours*

\$20.00 or more you will earn *4 hours*

If you would like a “Pennies for the Planet” Entry Form, email [EBYouthCouncil@aol.com](mailto:EBYouthCouncil@aol.com).

Raising money isn't the only way to help protect habitats, wildlife, and the natural world we all depend on. What else can you do? Think of simple ways to recycle, reduce pollution, save water, save energy, and generally live greener.

For more information go to [www.togethergreen.org](http://www.togethergreen.org)  
The deadline for the collection is February 1.
